acknowledgments

I would like to thank many friends for their companionship
along the way of *A Borrowed View*

Especially Jim, who took this journey and
countless others with me,
Lorrie and Alison for their careful eye and supportive advice,
Mary for her endless editing,
Denise and Klaus for their field of poppies,
Garret for his spirit, talent and patient design work
and Sumo for being there.

I am indebted to the Stadt Kunstlerhaus, Salzburg
for the artist's residency in the summer of 2007 and
the Virginia Center for the Creative Arts.
